WATER of LEITH
Conservation Trust

Winter Outreach Programme 2025/26

The Water of Leith Conservation Trust is now taking bookings for our Winter Outreach Programme. A member of our learning team can visit your classroom or take you to a section of the Water of Leith near your nursery for an exploration of the nature in your local area!

Outreach workshop can include;
Bringing the plants and animals of the Water of Leith right into your classroom, presentation, interactive classroom activities, and games.

£25 - Hour long classroom visit

£35 - 90 minute classroom visit and walk to river for outdoor exploration

Our Nursery Programmes can be adapted to accommodate additional support needs.

To book a session, or make an enquiry, please reach out to the learning team at learning@waterofleith.org.uk
